THE MOST SUCCESSFUL REMEDY

Ever discovered, as it is certain in its effects and does not blister.
READ PROOF BELOW.

Special Notice in the "Spirit of the Times" August 30th, 1884.

This remedy is known far and wide as the most successful ever discovered in cases of spavin and other hock lameness. Of course, it is a well-known fact that a chronic case of spavin is virtually incurable; but even such a case can be greatly ameliorated by using Kendall's remedy, while in cases of growing spavin they can be immediately checked and removed by a few applications. It is also an excellent remedy for rheumatism, enlargement of the joints, corns, and the like, while blood spavins and bursal enlargements disappear before it.

ON HUMAN FLESH.

PORTAGE LAPRAIRIE, Manitoba, Sept. 7, 1884.

DR. B. J. KENDALL CO:—Eight years ago I sprained my ankle, a lump grew on the inside of it, I went to a doctor, it got worse under his treatment, then I went to another, then another, in all eight, some helped some hurt it, but when they were all through I was still on crutches and very little better. I tried everything that I heard of but nothing helped it until about fifteen months ago when I was told by a friend (who had used it with great success on a horse) of Kendall's Spavin Cure. I used one bottle of it and found a change, since then I have used eight bottles with this result; I have not used even a cane for over four months, and yesterday I walked eight miles. I consider that only for Kendall's Spavin Cure I would have been a cripple for life; you can do with this what you like, but I would like that every one that is troubled with old sprains would see what it has done for me and try the same.

Yours truly,

A. L. MCKENZIE.

Send address for Illustrated Circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price, \$1 per bottle, or six bottles for \$5. All druggists have it, or can get it for you, or it will be sent to any address on receipt of price by the proprietors. **DR. B. J. KENDALL CO.,** Enosburgh Falls, Vermont.
